Take notice that on October 10, 1995, Northern Natural Gas Company (Northern), 1111 South 103rd Street, Omaha, Nebraska 68124-1000, filed in Docket No. CP95-611-001 an amendment to the pending application filed on July 11, 1995, in Docket No. CP95-611-000, all as more fully set forth in the amendment which is on file with the Commission and open to public inspection.

By the pending application in Docket No. CP95-611-000, Northern requested authorization under Sections 157.205 and 157.212 of the Commission's Regulations to install and operate a new delivery point in Section 32, T96N, R20W located in Cerro Gordo County, Iowa, to accommodate natural gas deliveries to AG Processing, Inc. (AGP) under Northern's blanket certificate issued in Docket No. CP82-401-000 pursuant to Section 7 of the Natural Gas Act. On August 28, 1995, Interstate Power Company filed a protest in Docket No. CP95-611-000 and was not withdrawn within 30 days after the end of the 45-day prior notice period. Therefore, Northern's prior notice application will be treated procedurally as an application under Section 7(c) of the Natural Gas Act.

In Docket No. CP95-611-001, Northern states that pursuant to a

request by AGP, Northern has filed a revised Attachment A which changes the location of the delivery point from Section 32, T96N, R20W, Cerro Gordo County, Iowa, to Section 24, T96N, R21W, Cerro Gordo County, Iowa.

Any person desiring to be heard or to make any protest with reference to said amendment should on or before November 13, 1995, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules. All persons who have heretofore filed need not file again.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Northern to appear or be represented at the hearing.
